Sunshine Act Disclosure

The Physician Sunshine Act, § 6002 of the Affordable Care Act (P.L. 111-148 (2010)) ("the Sunshine Act"), requires eye product manufacturers to report attendance registration information for any ALOA continuing education courses and/or meals or other items of value which are supported (in whole or in part) by grant funding from such companies. ALOA's eye product sponsors in the pharmaceutical and device industries have asked ALOA to assist them in gathering this information. In honoring these requests, ALOA will attempt to gather and provide its eye product sponsors with the information required by the Sunshine Act. This information includes name of registrant, license number and business address. The ALOA will not disclose any additional information.
